We welcome you for
A day or a lifetime

Dear Pomeroy Supporters,

During the spring of 2025, the decision was made to leave the “new” gym addition of the old Pomeroy school building standing. Since then, the City of Pomeroy has taken ownership of the property. A group of motivated volunteers have started the process of fundraising to convert the remaining structure into the new Pomeroy Community Recreation and Event Center!

In a small town, you need a space where residents of all ages can gather, grow stronger, and connect. Our goal is to create a public recreational space with a large event center, a kitchen, and a trophy display room. The southeast corner of the building will be enclosed, and include a “Wall of Fame”, giving recognition for donations of \$1,000+, \$5,000+, or \$10,000+ amounts. “Wall of Fame” donations may be pledged monthly, quarterly, annually or added together so family donations or class donations can be listed under one name. Donors could also recognize a special teacher on the “Wall of Fame” ...the ideas are endless!

Under IRS Section 170(c)(1), a charitable contribution to a non-profit governmental entity, such as the City of Pomeroy, made exclusively for public purposes is tax deductible. Donations to the capital improvement of the building are being saved in a separate bank account to ensure the project keeps progressing.
